HOW KEPRO CAN HELP YOU!

You have Medicare rights! You have the right to:

- **File a quality of care complaint.** You may contact KEPRO to file a complaint, and your medical record will be reviewed by one of our physicians. We will determine if you received the appropriate care for your condition.
- **File an appeal of your discharge from a hospital, skilled nursing facility, home health agency, or a hospice.** During your discharge appeal, you will incur NO financial liability. You may file an appeal with KEPRO if you feel that you are not ready to be discharged from a hospital or from skilled services.
- **Request Immediate Advocacy for immediate concerns.** KEPRO can contact your provider on your behalf and advocate regarding your concerns.
